

FUND DESCRIPTION

The Mergence Infrastructure & Development | Bond Composite aims to invest in a diversified combination of infrastructure debt assets that will result in superior risk adjusted returns, whilst supporting the development of both social and economic infrastructure services. This Fund forms part of the Mergence suite of Impact Funds. It is a yield enhanced bond portfolio that targets attractive returns through a combination of investment grade listed exposure and high quality unlisted yield enhancing infrastructure assets. The Fund aims to provide a measure of liquidity whilst providing exposure to attractive infrastructure investments. The Fund is managed with regard to prudent credit concentration exposure, dynamic interest rate risk management and robust counterparty assessment. The Fund is allowed to invest up to 50% in unlisted debt. The Fund is thus expected to generate attractive risk-adjusted return over that of the ALBI.
