## INVESTOR PROFILE

The Fund is suitable for institutional investors:

- who seek exposure through supporting developmental infrastructure investing in terms of social and environmental criteria;
- who are uncomfortable with the inherent volatility of the financial markets, and who acknowledge that the effects of impact investing occur over medium to long term horizons;
- as part of an overall allocation in balanced portfolios.

## INVESTMENT OBJECTIVE

The Fund aims to diversify investors' portfolios, generate enhanced yield and stable cash flows, hedge long-term liabilities and inflation, preserve capital, and deliver sound returns through economic cycles. It also strives to responsibly manage infrastructure investments through ethical practices, efficient operations, quality services, and targeted social impacts. The Fund targets a gross annualized return of CPI + 7% per annum over rolling 3-year periods by investing in assets that meet or exceed the required return.

## IMPACT OBJECTIVE

While the Fund seeks to invest in viable projects with strong long-term financial returns, the Fund also aims to invest in projects which are structured to deliver measurable developmental impact, therefore taking into account impact metrics such as local content, local procurement, and local ownership, housing and job creation.

## FUND COMPOSITION

Mergence Investment Managers has established the Mergence Infrastructure & Development | Equity Fund as a fund in its suite of Impact Funds. The Fund has been structured to invest in unlisted equity and quasi-equity, such as mezzanine debt, in infrastructure and developmental assets. The Fund will focus on building a diversified portfolio of infrastructure and developmental assets that will meet the Fund objectives of supporting economic growth and infrastructure development while yielding sound returns to investors. Socio-economic infrastructure assets include renewable energy plants, social housing, student accommodation, schools, energy efficient programmes and hospitals.
